

Porcupine Tree, Collapse The Light Into Earth

I won't shiver in the cold
I won't let the shadows take their toll
I won't cover my head in the dark
And I won't forget you when we part

Collapse the Light Into Earth

I won't heal given time
I won't try to change your mind
I won't feel better in the cold light of day
But I wouldn't stop you if you wanted to stay

Collapse the Light Into Earth
