

# Porcupine Tree, Every Home Is Wired

(Written by Steven Wilson)

Modem load and failsafe  
Electric teenage dust  
Hit the solvent keypad  
Start the neural rust

Power on the highway  
Data in my head  
Surfing on the network  
Part of me is dead

Every Home is Wired

Swimming in the circuit  
Somebody has expired  
This world will be the future

Every home is wired
