

Porcupine Tree, Halo

God is in my fingers
God is in my head
God is in the trigger
God is in the lead

God is freedom, God is truth
God is power and God is proof
God is fashion, God is fame
God gives meaning, God gives pain

You can be right like me
With God in the hole you're a righteous soul
I got a halo round me, I got a halo round me
I'm not the same as you
Cos I've seen the light and I'm gaining in height now
I got a halo round me, I got a halo round me
I got a halo round my head

God is on the cellphone
God is on the net
God is in the warning
God is in the threat
