Porcupine Tree, Synesthesia

(Written by Steven Wilson)

I'm sending you a letter Because I don't think there's much time Time to lear the cobwebs Time to bear the crime

It's only a number It's only a death Another soldier died in action The telegram regrets

I'm lying on a stretcher They're lyring to my face There's no-one left to help me I'm just a waste of space

It's a matter of moments
I'll be dead before you've read
There's blood on the table
And my back is full of lead
