

# PORNO FOR PYROS, Blood Rag

(4:33)

ever since the riots  
all i really wanted  
was a black girlfriend  
they don't play around  
they're hard enough  
to keep any man in line  
    thinking of my pale white skin  
    thinking of her dark and smooth  
she against me  
my black girlfriend  
saw her on the corner  
where she lived, i asked her  
"can you braid my hair?"  
she and her girlfriends  
laughed at me, said that  
"it was easy but it'll cost you some";  
    looking out her window  
    it's so exciting and foreign  
but i'm staying with  
my black girlfriend  
drivin' thru the hood  
in my chevy nova '62  
my arm around my  
little black girl  
people on the corner  
looking in my car  
wanna do me  
but i won't give her back  
my little black girl  
    "do you wanna come on in?  
    do you wanna eat some?  
    meet my family?"  
my black girlfriend
