

# PORNO FOR PYROS, Dogs Rule The Night

Dogs they roam  
Remember where their home is  
Everyone they meet  
Chase away their enemies  
Hang out in the shade  
Always in the shade  
When it's time to mate they're  
Not too particular  
Dogs they rule the night!  
They rule the night!  
Dogs they rule the night!  
Finish every meal  
Settle for a snack  
Chasing cars  
Like to hang out in the park  
Dogs they rule the night!  
They rule the night!  
Dogs they rule the night!  
Dogs they rule the night!  
They rule the night!  
Dogs they rule the night!  
In the pack they're very brave  
They're very brave  
And then after dark  
Underneath the moon!  
Know what i mean?  
Ever watch 'em go?  
In to town when the sun goes down  
Dogs they rule the night!  
They rule the night!  
Dogs they rule the night!  
Yeah, the dogs they rule the night!  
They rule the night  
Dogs they rule the night!  
Yeah!
