

Pornophonique, Take Me To The Bonuslevel Bec

i see trouble on my way
deepest dungeons
far away from my home
i tell you i'm in danger
i tell you evil will arise

take me
hold me
show me some bonus points, some golden coins
i need an extralife
i need an extralife

jumpin', runnin' through an unreal land
hiding, firing
i can't stand them
all alone
so all alone
i tell you i'm in danger
i tell you evil will arise

take me
hold me
show me some bonus points, some golden coins
i need an extralife
i need an extralife
