

# Porter, Girl

My sleeping beauty  
I'm right beside you

Feeling your heart beat  
I know you're my girl  
They won't mistreat you  
As long as I live  
Wake up and tell me  
What is what you dream  
Even if you sleep  
You are my only girl

Six months and you are still  
My sleeping beauty  
You don't talk  
But you are a miracle  
So peaceful like  
A beautiful angel  
You are my only love
