

# Porter Wagoner, Anything's Better Than Nothing

Friends ask how I'll get along without you they say it's so sad we're apart  
I have to agree that I don't seem like me I'm havin' a ball with my heart  
Anything's better than nothing nothing's not too much to lose  
Anything's better than nothing nothing's what I have with you

I've got to admit that it hurts me I don't like to fight or to fuss  
But now you and me are just happy we're free and everyone's crying but us  
Anything's better than nothing...

( fiddle - ac.guitar )

It really must be disappointment to see love and dream turn to smoke  
I can't blame my friends when their teardrops begin  
I once thought that love made a home  
Anything's better than nothing...  
Nothing's what I have with you...
