

Porter Wagoner, Doll Face

Doll face can erase any rain your doll face you're constantly in my dreams
It seems I'm in love with you
Doll face can erase any rain your doll face you're constantly on my mind
I find I'm in love with you
In my daydreams in my sleep in my secret heart away down deep
I keep your doll face can erase any rain your doll face I hope we'll never part
Sweetheart I'm in love with you
(guitar)
In my daydreams...
Sweetheart I'm in love with you
