

# Porter Wagoner, I'll Take A Chance On Loving You

( Porter & Norma Jean )

If you don't want to run around if you would really settle down

I'll take a chance on loving you

If you will be my very own if you'll be mine and mine alone

I'll take a chance on loving you

Now there's lots of pretty girls in this wide wide world

But none I've seen can hold a light to you

You're the cutest the sweetest the nicest and the neatest

And I'll tell you what I'm gonna do

If you don't want to run around...

( steel - guitar )

Now did you really mean it or did I just dream it when you said I was the one for you

Now don't make me regret it too late to forget it the day that I fell in love with you

If you don't want to run around...
