## Porter Wagoner, I Want To Live Again

(Norma Jean)

We stopped living when our love died and I wanta live again Our love grew cold a long time ago we both know love is gone Yet we stay together we just keep hanging on It's wrong to live together when our love has reached an end We stopped living when our love died and I wanta live again I wanna be kissed like I used to be thrilled like I used to be Loved like I used to be I wanta live again I wanna be kissed like I used to be... ( steel )

Each time we kiss we search for love that used to fill our hearts But it's all wrong the thrill is gone we're just too far apart We live a life of loneliness each day that we pretend We stopped living when our love died and I wanta live again I wanna be kissed like I used to be...
