

# Porter Wagoner, I Wonder Where You Are Tonight

Tonight I'm sad my heart is weary wondering if I'm wrong or right  
To dream about you though you've left me I wonder where you are tonight  
The rain is cold and slowly falling upon my window pane tonight  
And though your love was even colder I wonder where you are tonight  
[ steel - fiddle ]  
Your heart was cold you never loved me though you often said you cared  
And now you've gone to find another someone who'll know the love I've shared  
The rain is cold...

(I Wonder Where You Are Tonight;)  
Tonight I'm sad, my heart is weary  
I'm wond'ring if I'm wrong or right  
Altho' you've gone and found another  
I wonder where you are tonight

(Chorus)

That old rain is cold and slowly fallin'  
Upon my window pane tonight  
And tho' your love was even colder  
I wonder where you are tonight

Your heart was cold, you never loved me  
Tho' you said you often cared  
And now you've gone and found another

Someone who knows the love I shared

(Repeat Chorus)

Then came the dawn that day you left me  
I tried to smile with all my might  
But you could see the pain within me  
That lingers in my heart tonight

(Repeat Chorus)
