

# Porter Wagoner, Little Bitty Tear

When you said you were leaving tomorrow that today was our last day  
You said there'd be no sorrow and you'd laugh when I walked away  
But a little bitty tear let me down spoiled my act as a clown  
I had it made up not to make a frown but a little bitty tear let me down

Well I said I'd laugh when you left me full of funny as you went out the door  
You said you'd have another one waiting to wave goodbye as I go  
But a little bitty tear let me down...

( guitar - steel )

Well everything went out like I planned it yes you really put on quite a show  
Well I've thought thgat I was gonna stand it oh when I walked to the door  
Oh a little bitty tear let me down...  
A little bitty tear let me down a little bitty tear let me down
