LOUISIANA SATURDAY NIGHT

(Tom T. Hall - Jimmy Newman)

'67 Newkeys Music

A Louisiana Saturday night everybody feeling alright
There ain't nothing like a Louisiana Saturday night
If it's one of those nights a night that's happy and wild
If you pole the pirogue you come for a many a mile
If you're singing a song feast on gravy and rice
I know what that is a Louisiana Saturday night
A Louisiana Saturday night...
If it's one of those nights everybody go hog wild
All the pretty girls you see wear a pretty cajun smile
The fiddle and accordian play an old song happy and bright
I know what that is a Louisiana Saturday night
A Louisiana Saturday night..
We make like a Mardi Gras dance till broad daylight
Bet all our money then on a dog or chicken fight
The day after Friday next week everything'll be alright
Cause we're gonna have us another Louisiana Saturday night
A Louisiana Saturday night..
