

# Porter Wagoner, Nothing Between

Nothing between lost love and lonely just a few broken vows and a million old dreams  
The days are so long and the nights last forever  
When you live day to day with nothing between  
Once we were close there was so much between us  
When love filled our world as we planned and we dreamed  
Then something went wrong now we seems like strangers  
So far apart with nothing between

[ steel ]

Nothing between your love and my love no plans being made to fulfill our dreams  
We don't speak love words anymore like we used to  
Something is wrong there's nothing between  
It's just a short walk from love to lonely with no happiness anyplace to be seen  
You're still here with me though many miles seperate us  
Your heart and mine has nothing between
