

# Porter Wagoner, Possum Holler

As time goes by the tales grow taller about possum in Possum Holler  
As a young man I'd go a courtin' with my sweetheart so young and fair  
Down the mountain to Possum Holler that's where he'd always find me waitin' there  
Now I tell my mama that I's goin' out walkin' neath the moonlight so bright and fair  
And I'd tell daddy I was huntin' possum  
And take off a grinnin' and a slickin' down my hair  
As time goes by the tales grow taller about possum in Possum Holler  
Then one evening in Possum Holler my sweetheart's daddy stopped all our fun  
Yeah we got married in Possum Holler just you and me my daddy and daddy's gun  
As time goes by the tales grow taller about possum in Possum Holler  
Now when they see a possum hunter young and handsome and a smellin' fair  
We just lean back and bust our laughin' cause we know there ain't no possum there
