

# Porter Wagoner, Snakes Crawl At Night

All the snakes crawl at night that's what they say  
When the sun goes down then the sneaks will play

Well I watched that car pull right in my driveway  
Then I saw a shadow slipping from my house  
So I hurried straight and looked into her bedroom  
And I found out that it was my loving spouse  
All the snakes crawl at night...

So I waited in the shadows until morning and the gun I held was trembling in my hand  
No I did not plan to give them any warning  
Cause the devil on my shoulder had command  
All the snakes crawl at night...

Well the trial in a little while was over and they sentenced me to die right away  
But before I leave this courtroom please Your Honor  
There is something more I'd like to say  
All the snakes crawl at night...  
When the sun goes down then the sneaks will play  
When the sun goes down then the sneaks will play
