Haven't you heard you're just my used to be  
She held out her hand said haven't you heard  
I saw gold wedding band I was lost forward  
I wanted to cry I wanted to die when she said these words oh haven't you heard

Little heart you've been broken many times before  
But the wound always heals no matter how sore  
But this time is different and I can't tell you why  
Eat drink and be merry tomorrow you'll cry

But little they know that it's so hard to find one rich man in ten with a satisfied mind
