## Porter Wagoner, Swinging Doors

This old smoke filled bar is something I'm not used to But I gave up my home to see you satisfied And I just called to let you know where I'll be living It's not much but I feel welcome here inside And I've got swinging doors a jukebox and a barstool My new home has a flashing neon sign Stop by and see me anytime you want to Cause I'm always here at home till closin' time (fiddle - el.banjo) I've got everything I need to drive me crazy

And I've got everything it takes to lose my mind And in here the atmosphere's just right for heartaches And thanks to you I'm always here till closin' time And I've got swinging doors...

Yes I'm always here at home till closin' time
