

Portishead, Beautiful

you can depend uncertainty
count it out and weigh it off again
you can be sure you've reach the end
and still you don't feel
(you know about anything)

Chorus

Do you know you're beautiful
Do you know you're beautiful
do you know your beautiful
you are

yes you are

You can ignore what you've become

Take it our a see it die again

You can be here for who's a friend

And still you don't feel

(you know about anyone)

(Chorus)

Innermost thoughts will be understood and...

You can have all you need
