

# Portishead, Pedestal

How can I believe this miracle  
Where the wind blows dry  
Thru the force of a man  
Undenied by his eye

You abandoned me  
How I suffer  
Ridicule breathes a sigh  
You abandoned me  
Lost forever  
Hush, can you hear.....

Enter and rejoice this pedestal  
Where the rainbows hide  
Your destiny  
Mystery of all time

No time make or reason  
Ridicule breathes a sigh  
No time make or reason  
Hush, hear him cry....

[INSTRUMENTAL]

No time, make or reason  
No time, make or reason  
No time, make or reason
