

Portishead, Plastic

I wonder why
I don't know what you see?
Of course I care
I won't pretend
It's just I thought
I'd said enough

Don't you know life turns me
Always wants me
I can hold the fight

I could try
But don't know what you hear
'Cause in my heart, you are so clear
It's just I thought
I'd said enough

Don't you know life turns me
Always wants me
I can hold the fight

On your stage
A show that you create
All by yourself
I am nowhere
You never notice
You are so sure

Don't you know life turns me
Always wants me
I can hold the fight
