

# Portugal. The Man, Champ (Feat. Edgar Winter a

Billy and Jimmy gonna  
Give me the spotlight  
While I peel my face off the floor  
Blessed in silence  
Waiting for more

Stand by me  
Stand by me  
Stand by me  
Stand by me

Killing the villain  
gonna dance in the moonlight  
Injecting a spirit so pure  
Blessed in silence  
Waiting for more

Stand by me  
Stand by me  
Stand by me  
Stand by me

Living to die  
Living to die

Turn off the light  
Break the key off in the door  
Our history of violence  
Is the prophet of war

Don't remind me  
(Of all my mistakes)  
Don't remind me  
Don't remind me  
(Oh how my heart breaks)  
Don't remind me

(Edgar Winter)  
Why am I fighting to live  
If I'm just living to fight  
Why am I trying to see  
When there ain't nothing in sight  
Why am I trying to give  
When no one gives me a try  
Why am I dying to live  
If I'm just living to die

(With War)  
Abolish...  
Abolish...  
Abolish everything that keeps Indigenous people from our natural vibrations  
Indigenous Peoples take back what's ours
