

Portugal. The Man, Purple Yellow Red and Blue

All I wanna do is
Live in ecstasy,
I know what's best for me
I can't help, feel
It's this whole decision
I just wanna feel
(wanna feel)
Purple yellow red and blue

Well I don't know if i
Wanna be,
A movie star on TV
Cuz workin just don't work for me,
But I can't focus feelin hopless
So I just sit back
Try to look mean

All I wanna do is
Live in ecstasy,
I know what's best for me
I can't help, feel
It's this whole decision
I just wanna feel
(wanna feel)
Purple yellow red and blue
Well I don't know if I wanna be,
A rich kid or celebrity,
It's a greed but necessity
Now I don't want to sound hopeless,
When I look out it's only for me

All I wanna do is
Live in ecstasy,
I know what's best for me
I can't help, feel
It's this whole decision
I just wanna feel
(wanna feel)
Purple yellow red and blue

I just wanna be evil
I just, wanna be evil, wanna be evil, wanna be evil
I just, wanna be evil
I just, wanna be evil
I just, wanna be evil, wanna be evil, wanna be evil
Purple yellow red and blue

All that I need is,
Is something to believe in
Cuz everything just falls in place like like that
All that I need is,
Is something to believe in,
Cuz everything just falls in place like like that
