

Possessed, Satan's Curse

Hell evil satan's curse from the sky I fall
Metal burns my fucking brain satan took the fall
Deceased men from hell and hatred pollution to mankind
Antichrist My son from hell I will make you mine

You'll die, there's no time to run from hell
You lied, the witch has cast her spell
Your sins will be paid for and sacrificed
This is the price
Satan's Curse

Sin hate eternal death decayed my flesh I rot
Running below satan's home lord of hell he's not
Lust for evil son of hell beneath the smoke I rise
Flames torch my body a sinner's Solar eyes

Sacrifice your soul will be doomed your
Evil friends who have deceived you
Satan's curse enters your soul beneath you'll burn
Satan's Curse

Sky fades to black as the heavens diminish
Evil takes over the world is finished
Satan's Curse

Hell evil satan's curse from the sky I fall
Metal burns my fucking brain satan took the fall
Deceased men from hell and hatred pollution to mankind
Antichrist My son from hell I will make you mine

You'll die, there's no time to run from hell
You lied, the witch has cast her spell
Your sins will be paid for and sacrificed
This is the price
Satan's Curse
