

Possessed, Tribulation

Can you hear the thunder?
Can you hear the sound?
Can you hear the nightmares?
Can you hear the ground?

You can feel the sorrow
And you can feel the pain
Know there's no tomorrow
You'll never love again
Skies are filled with blood
The sun no longer rises
But no one understood

The final tribulation
The heavens take their fall
Experience hell's sensation
Satan standing tall

War between the powers
Fury in the skies
Heaven fight the dragon
With evil in its eyes

Tribulation!
In love with Satan
Desecration!
Come to Salem!

Nowhere to run
And nowhere to hide
The power of darkness
Is waiting in side
As the heaven fall down
Hell will survive
The serpent of death
Devours your life

Can you hear the thunder?
Can you hear the sound?
Can you hear the nightmares?
Can you hear the ground?

You can feel the sorrow
And you can feel the pain
Know there's no tomorrow
You'll never love again...

Tribulation!
In love with Satan
Desecration!
Come to Salem!
