

# Post Malone, Can't Look Back (ft. Young Thug)

i don't know what they want me to do  
i know what they say is never ever true

so keep it down  
don't make a sound  
oh you're way better off like this when you're quiet

i won't always be like this  
i refuse to think i will  
everybody changes  
but not everybody changes in a good way  
can't remember good days  
even if you tell me  
doesn't mean i wanna hear

so keep it down  
don't make a sound  
oh you're way better off like this when you're quiet  
so keep it down  
don't make a sound  
oh you're way better off like this when you're quiet

you don't ever wanna be the one to  
lay in a dark room  
playing them dark tunes  
you don't ever wanna be the one to  
lay in a dark room  
playing them dark tunes

so keep it down  
don't make a sound  
oh you're way better off like this when you're quiet  
so keep it down  
don't make a sound  
oh you're way better off like this when you're quiet
