

# Post Malone, HOLD MY BREATH

Talk too much  
Drink too much  
Please don't leave  
'Cause you're holding onto something special to me  
It's essential to me

Hold my breath  
'Til I turn green  
Please don't leave  
'Cause you're holding onto something special to me  
It's essential to me

My love  
Say that you, say that you love me  
Don't waste my time

Shut me up  
Snuff me out  
Please don't leave  
'Cause you're holding onto something special to me  
It's essential to me

My love  
Say that you, say that you love me  
Don't waste my time  
Don't waste my time
