

Post Malone, I Had Some Help (feat. Morgan Wallen)

You got a lot of nerve don't you baby
I only hit the curb cuz you made me
You're tellin' all your friends that I'm crazy
Like I'm the only one

Why'd you throw them stones if you
Had a wild hair of your own or two
Livin' in your big glass house with a view
I thought you knew

I had some help
It ain't like I can make this kind of mess all by myself
Don't act like you ain't help me pull that bottle on the shelf
Been deep in every weekend if you couldn't tell
They say team work makes the dream work
Hell I had some help

You thought I'd take the blame for us a-crumblin'
Go round like you ain't guilty of somethin'
Already lost the game that you been runnin'
Guess it's catchin' up to you, huh
You think that you're so innocent
After all the shit you did
I ain't an angel you ain't heaven sent
Can't wash our hands of this

I had some help
It ain't like I can make this kind of mess all by myself
Don't act like you ain't help me pull that bottle on the shelf
Been deep in every weekend if you couldn't tell
They say team work makes the dream work
Hell I had some help

It takes two to break a heart in two, ooh

You blame me and baby I blame you

Oh if that ain't truth

I had some help
It ain't like I can make this kind of mess all by myself
Don't act like you ain't help me pull that bottle on the shelf
Been deep in every weekend if you couldn't tell
They say team work makes the dream work
Hell I had some help
