

Post Malone, Motley Crew

Came with the gang
We made it
Came with the gang
We made it
Came with the mot crew

What you gon' do?
I am pul lup with the crew
Whan i am with the troops
I am rock that hand out the \roof
I am rockin' jewels
Black perl, diamonds they move
....

Can we fo and on and on
But people are just jelaous
We just wanna
Party /3x
We ridin' in the

Count up the bands
Stick i tup
Tchem rubber bands big enough
Titties in the club
They pickin up
Came with the gang
They give i tup
I see you weak in your hands
Pleyers, we do it serious
I am with the fast and furious
We in the club....

O get commas, period
Colder the nice, Siberia
I a mat the top of the pyramides
Butch, i sm a star, see it
We gettin' into plays, serious

Came with the gang
We made it
Came with the gang
We made it
Came with the mot crew
