needless to say, I keep her in check
she was all bad bad, nevertheless
callin it quits now
baby I'm a wreck
crash at my place, baby
you're a wreck
needless to say, I keep her in check
she was all bad bad, nevertheless
callin it quits now
baby I'm a wreck
crash at my place, baby
you're a wreck

thinking in a bad way
losing yor grip
screaming at my face
baby don't trip
someone look a big L
I don't know how that felt
looking at you sideways, part on tilt
some things you just can't refuse
she wanna ride lie a cruise and I am not tryna lose

then you left in the dust
unless I stuck by ya
you're a sunflower
I think your love will be too much
or you will be left in the dust
unless I stuck by ya
you're a sunflower

every time I am livin' on ya
you don't make it easy
no no
wish I could be there for ya
give me a reason to go
every time I walking out
I can hear you tellin' me the turn around
fighting for my trust and you want back down
even if we gotta risk it all right now
I know you're scared of the unknown
you don't wanna be alone
I know I always come and go
But it's out of my control

and you'll be left in the dust
I'm so stuck by you
you're a sunflower
I think your love will be too much
and you'll be left in the dust
I'm so stuck by you
you're a sunflower
I think your love will be too much
