

Povertyneck Hillbillies, Heaven Help Me

Heaven help me, I'm in love with you.
There's not a blessed thing that I can do
You're and angel, but baby you're a devil too
Heaven help me I'm in love with you

You can have all my money, you can have anything.
If you'll Promise to wear my ring.
Just when I think I got you, oh, you slip away.
Don't know what I'm gonna do
All I can say is?

Heaven help me, I'm in love with you.
There's not a blessed thing that I can do
You're and angel, but baby you're a devil too
Heaven help me I'm in love with you

If you'd only show me one little sign.
And let me know that someday you'll be mine
But you Keep me guessing, is it yes or no?
I'm Up and down like a yo-yo, don't know which way to go.

Heaven help me, I'm in love with you.
There's not a blessed thing that I can do
You're and angel, but baby you're a devil too
Heaven help me I'm in love with you

Every night I bow my head and I pray.
Each tomorrow's gonna be the day
You see the light and show me a sign
And let me know you're gonna be mine all mine
