

Povertyneck Hillbillies, Stand By You

I'm not perfect
I'm no saint, babe
I don't wear angels wings
I'm no hero in shining armor
All I am is what you see

I would lay down my life for you
Take it to the wall if you asked me to
I'll Stand beside you when gray skies are blue
All my life I will stand by you

I'm just a man, babe
That's all I am, babe
I won't try to hide my scars
But I swear I'll love you
Place no one above you
You have my soul
You have my heart

I would lay down my life for you
Take it to the wall if you asked me to
I'll Stand beside you when gray skies are blue
All my life I will stand by you

God knows I've made mistakes
This is all I can say
No matter what it takes
I'm gonna stand beside you always

I would lay down my life for you
Take it to the wall if you asked me to
I'll Stand beside you when gray skies are blue
All my life I will stand by you

Ooh, I would lay down my life for you
Take it to the wall if you asked me to
I'll Stand beside you when gray skies are blue
All my life I will stand by you
