

# Povertyneck Hillbillies, Tell Me What I Don't Know

You dont have to tell me she'll never really love me  
Do you think I don't know that  
You say I should forget her  
Pull myself together, shes never coming back  
You tell me its time to get over her  
Thats easy for you to say  
You aint saying nothing I don't tell myself every day

Tell me what I don't know  
Like where do I go from here  
If you really wanna tell me somethin' that'll help me  
Tell me how to stop these tears  
Tell me how do I forget her  
Tell me how to let her go  
Tell me how to live without her  
Tell me what I don't know

You say that I'll be fine its just a matter of time  
That sure makes me feel good  
You tell me all I gotta do is find somebody new  
Yeah, I know I should  
You say she played me for a fool  
What a suprise  
And I know you've got good intentions  
But if you wanna tell me your advice

Tell me what I don't know  
Like where do I go from here  
If you really wanna tell me somethin' that'll help me  
Tell me how to stop these tears  
Tell me how do I forget her  
Tell me how to let her go  
Tell me how to live without her  
Tell me what I don't know

Tell me what I don't know  
Like where do I go from here  
If you really wanna tell me somethin' that'll help me  
Tell me how to stop these tears  
Tell me how do I forget her  
Tell me how to let her go  
Tell me how to live without her  
Tell me what I don't know

Tell me how do I forget her  
Tell me how to let her go  
Tell me how to live without her  
Tell me what I don't know

Tell me what I don't know  
Tell me what I don't know

Stuck On You

Stuck on you  
Got this feelin' down deep in my soul that I just can't lose  
I'm on my way  
I needed and the way I feel now  
I guess I'll be with you 'til the end  
I'm on my way  
Mighty glad you stayed

Stuck on you  
Been a fool too long

I guess its time for me to come on home  
I'm on my way  
So hard to see  
Why a woman like you  
Would wait around for a man like me  
I'm on my way  
Mighty glad you stayed

Woah, I'm leavin' on that midnight train tomorrow  
And I know just where I'm goin'  
I've packed up my troubles  
And I've thrown 'em all away  
Cause this time little darlin'  
I'm comin' home to stay

I'm stuck on you  
Got this feelin' down deep in my soul that I just can't lose  
I'm on my way  
I needed and the way I feel now  
I guess I'll be with you 'til the end  
I'm on my way  
Mighty glad you stayed
