

# Powderfinger, Got You On My Mind

Baby I got you on my mind  
Honey, you wont ever know  
How much I need you by my side  
Promise you won't ever go  
I won't take no from you this time  
'cause baby I got you on my mind  
Honey I got to show  
Just what I can do  
Because I think I know  
What you're going through  
I hope you feel it the way I feel it  
I hope you feel it the way I feel it too  
Yeah, I feel it too  
So if I had this all my way  
Honey, you wont ever know  
I'll be there through every night and day  
Promise you wont ever go  
I won't hold back from you this time  
'cause baby I got you on my mind  
Yeah honey I got to show  
Just what I can do  
Because I think I know  
What you're going through  
I hope you feel it the way I feel it  
Hope you feel it the way I feel it too  
'Cause baby I've got you on my mind  
I won't take no from you this time  
How much I need you by my side  
Babe I got you on my mind  
Yeah Yeaehhh on my mind  
I tell ya I won't wait for another day  
My heart died baby loose the chains  
I won't wait for another day  
My heart died when you loose the chains
