

Powderfinger, On My Mind

Baby I've got you on my mind
Honey you won't ever know
How much i need ya by my side,
Promise you I'll never go
I won't take no from you this time
'Cos baby I've got you on my mind
And honey I gotta show just what i can do
Cos I think I know what you're going through
I Hope you feel it the way I feel it
Hope you feel it the way i feel it too
I feel it too
So if I had this all my way
Honey you won't ever know
I'd be there to every night and day,
Promise you I'll never go
I won't hold back from you this time
'Cos baby I got you on my mind
Honey I gotta show ya just what I can do
'Cos I think I know, what you're going through
Hope you feel it the way I feel it
Hope you feel it the way I feel it too
Cos baby I got you on my mind
I won't take no from you this time
How much I need ya by my side
Babe I got ya on my mind
Yeah on my mind
I tell you I won't wait for another day
My heart died when you lose the chains (x2)
Cos honey I got you I got you on my mind
(x3)
I got you I got you on my mind
Yeah honey I gotta show
