

# Power Rangers, My Life As A Teenage Robot Theme

5:00 and a call to go blading  
at the skatepark down by the mall  
but my mom says I got to prevent some aliens  
from anialating us all(HIYA!)

with the strength of a million & 70 men  
I guess really shouldn't complain  
still I wish I can go for a walk without  
rusting in the rain

it's enough to fry my braaaaaiiiiiin  
so welcome to my life  
as a teenage robot  
story of my life  
as a teenage robot  
a teenage robot life!
