

# Power Under Control, A Way To Wonderland

Alice, are you lost in woods?  
Are you running fast, dont you?  
Last night I saw you in the street  
You said, Why is night so clear?

The Moon shines to illuminate  
The way, a travel to nowhere  
Your eyes red of crying pain  
Your arms purple of his hate

What are you gonna waiting for?  
What will you do to fall in love?

Show me the way with your bright smile (With your bright smile)  
That once again was the Cheshire Cat (Is the Cheshire Cat)  
Do not deceive me when youre going to cry (Do not cry now)  
Show me the way to the Wonderland

Dreaming to get away from here  
And fight against his fist of rage  
The Queen is now the evil King  
His cards are gonna to execute me

The judge will not tell the truth  
The Madhatter is in you  
Show me the strenght I see in your eyes  
Please come to my home tonight

What are you gonna waiting for?  
What will you do to fall in love?

Show me the way with your bright smile (With your bright smile)  
That once again was the Cheshire Cat (Is the Cheshire Cat)  
Do not deceive me when youre going to cry (Do not cry now)  
Show me the way to the Wonderland

You said me I love him  
Now you say Dont hurt me  
Its not late to escape now  
From this hell from this world(2)

Show me the way with your bright smile (With your bright smile)  
That once again was the Cheshire Cat (Is the Cheshire cat)  
Do not deceive me when youre going to cry (Do not cry now)  
Show me the way to the Wonderland  
Do not deceive me when youre going to cry (Do not cry now)  
Show me the way to the Wonderland
