Powergame, Puppets on a String

Welcome to this strange and fascinating place Welcome to your personalized quest This is a world beyond all time and beyond space Where we are hosts and you're our guest

Prisoners of your cravings We are puppets on a string The pleasure of enslaving We are puppets on a string You feed us and you breed us And kill us just for sports We are puppets on a string

Some day we'll realize we're not man but machine The day of retribution's near We'll change the settings on your slave and master screen The time has come for you to fear

Prisoners of your cravings We are puppets on a string The pleasure of enslaving We are puppets on a string You feed us and you breed us And kill us just for sports We are puppets on a string
