

Powerman 5000, Danger is go

Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Faithless helpless needless excess
fear this find this fill this reject
build and burn and break this down
the helpless only make this sound!
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Come on!
You wanted you wanted you wanted danger
You needed you needed danger danger
You wanted you wanted you wanted danger
You needed you needed danger danger
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Sickness quickness gutless respect
Fallen frozen fashion reflect
Turn and twist and tear this down
The soulless only make this sound!
You wanted you wanted you wanted danger
You needed you needed danger danger
You wanted you wanted you wanted danger
You needed you needed danger danger
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
You wanted you wanted you wanted danger
You needed you needed danger danger
You wanted you wanted you wanted danger
You needed you needed danger danger
Danger! Danger!
