

Powerman 5000, Destroy What You Enjoy

The way of the world is the way of the west
Match up your shoes to your bullet proof vest
If you're a disgrace just fall on your sword
I used to be involved but now I'm just bored
(That's right, alright)
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Gimme, gimme, gimme more than I need
Cut down the trees just to steal the seeds
Born into nuthin and now you've got less
You better turn on the charm 'cause your face is a mess
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Enjoy it while it lasts, 'cause it's all going fast
People come and they sure go, but I don't care
'Cause all I want you to do is destroy
Now everything you've got is nuthin' no one needs
I'd love to turn you on but they'd rather watch you bleed
The days move along from one into the next
You've got alot to be amused by but little to respect
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Come on, Destroy
Destroy what you enjoy
Enjoy it while it lasts, 'cause it's all going fast
People come and they sure go, but I don't care
'Cause all I want you to do is destroy
Destroy!
Destroy!
Destroy!
Come on, Destroy (Destroy!)
Come on, Destroy (Destroy!)
Come on, Destroy (Destroy!)
