

Powerman 5000, Relax

(featuring Danny Boy from House Of Pain)

[Yeah, yeah]

Relax don't do it
When you want to go to it
Relax don't do it
When you wanna
Relax don't do it
When you want to go to it
Relax don't do it
When you wanna

Relax don't do it
When you want to go to it
Relax don't do it
When you want to come (come)
Relax don't do it
When you want to go to it
Relax don't do it
When you want to (come)

Relax, relax
(die die die die)

Back and forth and forth, direction
Dying young is your intention
You gotta dream those dreams
You gotta scheme those schemes
You got to hit me, hit me, hit me, hit me
Hit me with those laser beams (ah, ah)

Uh, yeah, now, c'mon
Your puff dropping hits the clock
Chuck it with a rock or something
And it ain't no stopping
I tell you now kid we don't play
I'm up all night and sleep all day
So when he's back, kid, you better be close
I gotta crawl past the eagle
With its venomous scopes
So let me know if you want to step to it
And holler at me when you're ready to do it

Relax don't do it
When you want to go to it
Relax don't do it
When you want to (come)
Relax don't do it
When you want to go to it
Relax don't do it
When you want to come

Relax don't do it
When you want to go to it
Relax don't do it
When you want to (come)
Relax don't do it
When you want to go to it
Relax don't do it

When you wanna go
When you wanna go
When you wanna go

When you wanna go
