

# Powerman 5000, Relax

(featuring Danny Boy from House Of Pain)

[Yeah, yeah]

Relax don't do it  
When you want to go to it  
Relax don't do it  
When you wanna  
Relax don't do it  
When you want to go to it  
Relax don't do it  
When you wanna

Relax don't do it  
When you want to go to it  
Relax don't do it  
When you want to come (come)  
Relax don't do it  
When you want to go to it  
Relax don't do it  
When you want to (come)

Relax, relax  
(die die die die)

Back and forth and forth, direction  
Dying young is your intention  
You gotta dream those dreams  
You gotta scheme those schemes  
You got to hit me, hit me, hit me, hit me  
Hit me with those laser beams (ah, ah)

Uh, yeah, now, c'mon  
Your puff dropping hits the clock  
Chuck it with a rock or something  
And it ain't no stopping  
I tell you now kid we don't play  
I'm up all night and sleep all day  
So when he's back, kid, you better be close  
I gotta crawl past the eagle  
With its venomous scopes  
So let me know if you want to step to it  
And holler at me when you're ready to do it

Relax don't do it  
When you want to go to it  
Relax don't do it  
When you want to (come)  
Relax don't do it  
When you want to go to it  
Relax don't do it  
When you want to come

Relax don't do it  
When you want to go to it  
Relax don't do it  
When you want to (come)  
Relax don't do it  
When you want to go to it  
Relax don't do it

When you wanna go  
When you wanna go  
When you wanna go

When you wanna go
