Powerman 5000, Tomorrow Is Yesterday

Let yourself be tomorrow
Tomorrow is yesterday
So show me the way to get out of this world
Ill be the one that fades away (right)

You give it, you give it
You get it, you get it
You give it, you give it
And then they take it away
You give it and they take it away
You get it and they take it away

Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
Ill be the one that fades away

Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
Ill be the one that fades away (right)

You see it, you see it
You take it, you take it
You see it, you see it
And then they steal it away
Dont you realize that you cant win
Cause the place you begin is the place you must end

Right! Yeah! Yeah! Yeah!
Right! Right! Right! Right!

Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
Ill be the one that fades away

Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
Ill be the one that fades away

Let yourself be tomorrow
Tomorrow is yesterday
So show me a way to get out of this world
Ill be the one that fades away

Yeah!

You give it, you give it
You get it, you get it
You give it, you give it
And then they take it away
Dont you realize that you cant win
Cause the place you begin is the place you must end

Right! Yeah! Yeah! Yeah!
Right! Right! Right! Right!
Right! Right! Right!
