

# Powerman 5000, Tonight the stars revolt

Hang on to tomorrow  
Because tonight the stars revolt!  
Do you believe  
and will you learn to scream  
LIKE ME  
There's nothing to it  
When stars revolt  
They're only doing what they're told  
What's the mystery  
The lights of death and fame  
SHINE ON  
Invaders from inside  
Can easily replace  
YOU NOW  
Hang on tomorrow  
Because tonight, the stars  
Target Earth for me  
Because tonight, the stars  
Sing your favorite song  
Because tonight, the stars  
Show the way to die  
Because tonight, the stars revolt
