Powerman 5000, Top Of The World

Oh Yeah! Yay! Baby, baby!

Look around Look around Tell me what you see It's going down without you

Look around Look around Show me anything That makes you feel like I wanna belong

What have you got What do you need (from me now) What do you think There's no difference between me and you

Hey!

Whats on top of the world when you get there Whats on top of the world (hey, hey!) Whats on top of the world when you get there Whats on top of the world

Step it up Step it up Before you disappear I'll crawl a mile 'neath your shoes

Step it up
Step it up
It's the payback
The fix told you what you needed to do

What have you got What do you need (from me now) What do you think There's no difference between me and you

Hey!

Whats on top of the world when you get there Whats on top of the world (hey, hey!) Whats on top of the world when you get there Whats on top of the world

Whats on top of the (hey!)
Whats on top of the (hey!)
Whats on top of the world (hey, hey!)

Whats on top of the world When you get there Waiting for me

Hey!

Whats on top of the world when you get there Whats on top of the world (hey, hey!) Whats on top of the world when you get there Whats on top of the world

Whats on top of the (hey!)
Whats on top of the (hey!)
