

Powerwolf, Demons and Diamonds

Light

I never see the light

I never see you

Never hate you

Down tonight

Whoa, light

I never see the light

I never feel you

Never hate you

Down tonight

Whoa, light

I never see the light

I never feel you

Never hate

(Demons

And diamonds

Demons

And diamonds)

Night

I never sleep at night

When you see me

In the darkness

Down tonight

Whoa, night

I never sleep at night

For the demons

And the diamonds

I will fight

Whoa, night

I never sleep at night

I never feel you

Never hate

(Demons

And diamonds

Demons

And diamonds)

Demons and diamonds

Demons and diamonds!

Demons and diamonds

Demons and diamonds!

Demons and diamonds

Demons and diamonds!

Demons and diamonds

Demons and diamonds!
