

Pratt Dave And The Sex Machine Band, Rock Na

(Steve Parrish)

Well, it's gettin' kinda late in the Valley tonight
And the night life's ready to roll
All the insomniacs are gettin' ready to rock
When the Wild Ones take control
So, if you're stayin' up late, don't hesitate
'Cause the Sex Machine is on
Hold your red underwear up high
He's playing your favorite song

CHORUS

So, baby
Rock naked!
'Cause Pratt is on the air
Rock naked!
They're doin' it everywhere
Well, there's people here and people there
Tryin' to say he don't play fair
All the folks down at the F.C.C.
Would love to see him off the air
When the music's movin' and the feelin's hot
The night has just begun
Kick the radio into overdrive
We'll show you how it's done

CHORUS
