

# Pratt Dave And The Sex Machine Band, Six Pack

CHORUS

Six pack beauty queen  
Six pack beauty queen  
Fattest girl I ever seen  
She's my six pack beauty queen  
End of the night, I wanna take her home  
Seven o'clock, I would of fed her a bone  
Ten bucks says her shorts ain't clean  
She's my six pack beauty queen

CHORUS

Had a beer with a big fat steer  
Twelve o'clock, my mind ain't clear  
She was a sarge in the Marines  
She's my six pack beauty queen  
She wore a shirt that said Goodyear  
Couldn't believe the blimp was here  
I'll have another shot of beer  
With my six pack beauty queen

CHORUS

She doesn't have a family  
She came from an ugly tree  
Saw her face, she had three  
She's my six pack beauty queen
